

BLIGHT ORDINANCE

Ordinance Number 2 of 2025

INTENT AND PURPOSE

An ordinance to secure the public health, safety and general welfare of the residents and property owners by regulating the storage of junk, rubbish, garbage, inoperable vehicles and trailers and other blight within Charlevoix Township and to prohibit such storage except under certain conditions and to provide provisions for enforcement, compliance and penalties for violation of the ordinance.

Section 1 - TITLE

This Ordinance shall be known and cited as the Charlevoix Township Blight Ordinance.

Section 2- FINDINGS

It is hereby determined that there does or may reasonably exist, on both privately and publicly owned parcels of land within Charlevoix Township, accumulations of unsightly junk, rubbish and/or garbage and/or inoperable vehicles and trailers; and that such accumulations are generally considered unsightly and may well constitute a hazard to the public health, safety and welfare of the residents of Charlevoix Township. Such matters are hazards as they may provide a habitat conducive to the breeding and nesting of rats, mice and other vermin; and that they may contain objects with sharp edges and other hazards. The regulations contained in this ordinance are the minimum regulations required to eliminate the foregoing undesirable conditions and protect the public health, safety and welfare of the public.

Section 3 - DEFINITIONS

The terms used in this Ordinance are defined as follows:

A. "Junk" - means any discarded, unusable or unused: toys, tires, building materials, furniture, machinery, appliances, or parts thereof.

B. "Rubbish" - means wastepaper, metalware, plasticware, metal cuttings, boxes, glass, non-landscape shavings, barrels, lumber, paper cartons and brush trimmings.

C. "Garbage" - means any accumulation of trash, refuse or litter specifically including, but not limited to refuse from the preparation and consumption of food, as well as dead animals (or parts thereof) and discarded edible or drinkable items.

D. "Vehicle" - means motorized and non-motorized mechanical devices which have the primary purpose of transporting people on land, air, and/or water, including but not limited to, motor homes, cars, trucks, airplanes, snowmobiles, motorcycles, boats (including canoes), and bicycles.

E. "Inoperable" - means any vehicle unable to perform its primary, legal function of transportation because of mechanical condition, missing parts or non-licensure or registration if the same is required by state law.

F. "Trailer" - means any non-motorized device which is intended to be pulled by a vehicle and is used for the purpose of transporting other vehicles or items of any kind, including but not limited to, utility and recreational travel trailers.

G. "Overgrown Plantings" - means unusually tall and/or untrimmed grasses, plantings which obstruct the view of traffic, and/or tall weeds which substantially detract from the appearance of any commercial or residential building.

H. "Roadside Signs" - means any temporary signs placed along roadways for purposes of events, advertisement, political campaigns or other efforts to inform the public.

Section 4 - UNLAWFUL ACTS

A. Storage of Junk, Rubbish, Garbage - No owner, occupant or possessor of land within Charlevoix Township shall keep, or permit to be kept at any time on such parcel, any accumulation of junk, rubbish, and/or garbage unless the same is within a completely enclosed storage container with lid or completely enclosed building while awaiting removal. Residential or Commercial properties under construction or remodeling may have a building materials refuse bin on that

property. Such bins must be kept orderly; no waste materials may be left outside of the bin and materials in the bin must be managed such that they will not blow out in winds up to thirty (30) miles per hour.

B. Storage of Inoperable Vehicles and Trailers - No owner, occupant or possessor of land within Charlevoix Township shall keep or permit to be kept, for more than ten (10) consecutive days, any unregistered or inoperable vehicle or trailer, including vehicles and trailers under owner repair, unless said vehicle or trailer is within a completely enclosed building or completely screened behind a fence in the side or rear yards as defined in the Charlevoix Township Zoning Ordinance currently in effect such that it cannot be seen from any public road or from adjoining land owned by another person.

C. Placement of Junk, Rubbish, Garbage and/or Inoperable Vehicles and Trailers -No person shall place junk, rubbish, garbage and/or inoperable vehicles or trailers on the property of another, including any governmentally owned property.

D. Vehicles, and Trailers for Sale - Residential property owners and occupants wishing to display and sell personal vehicles or trailers on their properties may display no more than two vehicles or trailers, or one vehicle and one trailer, at any one time for a period not to exceed 90 days in any 365-day period. Vehicles or trailers for sale shall not be displayed on the property of another, including any governmentally-owned property or any road right-of-way, without the written consent of the owner. Commercial property owners and occupants may only display and sell on their properties commercial vehicles or trailers used directly in their business and then only under the same criteria as above.

E. Overgrown Plantings - No Residential or Commercial property owner, occupant or possessor of land within Charlevoix Township shall allow ornamental lawn grasses to exceed eight (8) inches in height. Nor shall such parties allow weeds on improved portions of such property to exceed twelve (12) inches in height. Short term exceptions may be allowed during unusually rainy periods at the sole discretion of Charlevoix Township.

F. Roadside Signs - Improperly placed signs can create safety hazards and interfere with a driver's vision along roads. To maintain traffic safety while affording the opportunity to inform the public, the following rules must be followed:

- The party placing the signs is responsible for obtaining approval from the adjacent property owner to place the signs.

- Signs must be removed within: (a) three (3) days after the conclusion of an event or an election or (b) 30 (thirty) days of initial placement if they do not display a date.
- Signs must be more than 30 (thirty) feet from the edge of the roadway (white line) for highways that do not have barrier-type curbs. For highways with barrier curbs, the signs must be more than three (3) feet from the back of the curb.
- Signs are not permitted within areas used for clear vision at intersections or driveways so they will not interfere with the sight distance of a driver.
- Any illegally placed signs will be removed. Signs removed by Township personnel will be retained for 7 (seven) days at the maintenance garage, then discarded.

Section 5 EXCEPTIONS

A. This ordinance does not apply to inventory or premises occupied by a merchant licensed under Public Act 300 of 1974, MCL 205.33 and conducting a lawful business or to the patrons of a lawful motor vehicle repair facility, furniture or appliance repair facility, or service station while left on the premises of either for purposes of service or repair, nor does this ordinance apply to licensed salvage yards which are regulated under Public Act 12 of 1929.

B. Recreational vehicles and trailers which are usable, in good repair and are customarily licensed on a seasonal basis, shall be allowed to be kept on the owner's property without license during the off-season so long as they are stored in a completely enclosed building or completely screened behind a fence in the side or rear yards as defined in the Charlevoix Township Zoning Ordinance currently in effect such that it cannot be seen from any public road or from adjoining land owned by another person.

C. Recreational, commercial and agricultural vehicles and trailers which are not required to be licensed or registered by the State of Michigan shall be allowed to be kept on the owner's property without license so long as they are stored in a completely enclosed building or completely screened behind a fence in the side or rear yards as defined in the Charlevoix Township Zoning Ordinance currently in effect such that it cannot be seen from any public road or from adjoining land owned by another person .

D. Junk, Rubbish and Garbage may be kept in a temporary, roadside storage container, with closable lid, used for the purpose of keeping foraging animals and vermin away from the contents, and awaiting pickup by a refuse hauling

company for up to a 48-hour period, so long as the temporary storage container shall not be larger than (2) two-cubic-yards in size and must be designed so as to prevent opening by foraging animals.

E. Commercial businesses may, in addition to the containers described in paragraph D above, maintain a dumpster on-site. The dumpster should be kept in such a place so that it is screened from view by the public. Additionally, the dumpster must be emptied on a regular basis and may not overflow. Further, the dumpster must have a lid which shall be kept closed at all times, except when trash or rubbish is being placed into the dumpster.

F. Property owners may place lawn clippings and hedge and/or shrub trimmings in a pile on their property. These items should be kept in a location which is not offensive to any neighbors (for example, do not place these items right on the property next to your neighbor's deck). In all events, unless the lawn clippings and/or hedge/shrub trimmings are being used as compost, the refuse shall be removed from the property at least once every two years so that the pile does not become too large or otherwise become a nuisance.

- E. Enforcement. The Enforcement Officer, Zoning Administrator and Supervisor are hereby designated as the authorized Township officials entitled to issue municipal civil infraction citations requiring alleged violators of this Ordinance to appear in court.
